Your personal scheduling agent

Why Course Match?

Innumerable
Possibilities

Course Match in three terms...

Utilities

Your relative desire for specific sections

Clearing Prices

'Prices' assigned to sections based on supply and demand

Budget

A predetermined number of tokens used to purchase sections

...and three steps

- ① Students report their **section utilities**
- ② Course Match establishes **clearing prices** for each course and buys **schedules** for each student
- ③ A **Drop/add** period allows final adjustments to schedules

**MAKE IT WORK
FOR YOU**
