

Fall 2023 [Course Match](#) is open now through Thursday, August 17 at 12:00PM ET. As always, we encourage students not to wait until the last day to enter their course preferences.

Budget

Students will have a base budget of 5000 tokens for Fall 2023. If you complete the MBA Stakeholder Survey, you will receive a bonus of 500 tokens for both fall and spring Course Match (a total of 5500 tokens each term). The bonus tokens will be added to your account soon.

Holds

Students who are on hold will not be able to participate in Fall 2023 Course Match until the hold has been resolved. Once holds have been lifted, access to Course Match will be reinstated. Please contact [Student Financial Services](#) with questions about financial holds and [Student Health and Counseling](#) regarding immunizations.

Course Match Updates

We have upgraded the Course Match platform with an improved interface and mobile-friendly design. You will notice some changes when you access the system. Nothing has changed about how Course Match works - you will continue to add utilities and manage courses just as you had before.

Here are few notable layout and interface changes:

- Along the top of every page is an easy way to navigate across My Course Match, My Utilities, and My Top Schedules.
- The "My Course Match" page presents some information that was in a sidebar on the former site. From this page you can:
 - Update the maximum amount of Course Units you want Course Match to assign
 - Review your budget
 - See your current enrollment for the term
 - View a graphic representation of your course schedule
 - See the status of your graduation requirements
- On the "My Utilities" page, a comprehensive filter will allow you to quickly find the courses you are looking for. Previously, options to view distributions and manage adjustments were in a sidebar – these now have their own sections among which you can toggle via tabs.
- On the new "My Top Schedules" page, you can generate potential schedules based on your utilities in a cleaner layout

If you need to access the legacy version of Course Match to access information from prior semesters or view or change your Spring 2023 schedule, go [here](#). You will have access to the legacy system until April 20 at 11:59PM ET.

Important Course Match Dates

- Thursday, August 17, 2023 at 12:00PM (noon) ET – Course Match Closes
- Tuesday, August 22, 2023 – Schedules Released
Students will receive an email once schedules are released. Add/drop "buffer period" begins
- Thursday, August 24, 2023 at 12:00PM (noon) ET – Add/Drop "Buffer Period" Ends
Students will receive an email once schedules are released. First-come, first-served add period begins
- Monday, August 28, 2023 – Wharton First Day of Fall Semester

- Tuesday, August 29, 2023 – University’s First Day of Fall Semester
- Friday, September 1, 2023 at 11:59PM ET – Add/Drop Deadline for Q1 & Full Semester Courses

The 2023-2024 academic calendar can be found on [MBA Inside](#). The Fall 2023 Quarter 1 Core exam [schedule](#) will be available later this summer.

Prerequisite for REAL 8210

Enrollment in REAL 8210 (Real Estate Development) requires the prerequisite REAL 7210/FNCE 7210: Real Estate Investments. Only students who have completed REAL 7210/FNCE 7210 will be permitted to place utilities on REAL 8210. If you choose to take the requisite REAL 7210/FNCE 7210 concurrently with REAL 8210, you must contact your academic advisor by Friday, August 18th to have REAL 8210 “unlocked” in Course Match.

Registration will be verified by the add/drop deadline; students not meeting the requisite requirement will be dropped from REAL 8210.

Please consult Syllabi@Wharton for the latest syllabi information to assist with your course selection. As always, we anticipate the possibility of changes and additions to course selections while Course Match is open. Updates will be reflected in the system and we will be in touch regarding any changes.

If you have any questions, please [schedule an appointment](#) with your academic advisor. We will be available to assist you throughout the summer until July 28, when we will be preparing to welcome the Class of 2025.
