Fact sheet
2023-2024

December 2022
Sasin School of Management is located in the heart of Bangkok, Thailand: a modern, cosmopolitan metropolis with a rich history and culture. As the most visited city in the world, the logistics hub of ASEAN and one of the most dynamic cities in Southeast Asia, it is fun, exciting, vibrant and one of the most international and livable cities in the region.

Established in 1917, Chulalongkorn University is Thailand’s oldest and most prestigious academic institution, located on a spacious campus in Bangkok’s Central Business District.

Sasin occupies a prime position on that campus, combining a peaceful park-like setting with easy access to major office and shopping centers.

Bangkok’s modern and efficient skytrain and metro systems are a 5-10 minute walk away - just a few minutes by the university’s free electric shuttle service.
