STUDENT SERVICES

1. **Online Information Site:** Reichman University provides a variety of services to students via its website. The site enables students to register for courses, to view exam booklets and appeal grades, to waive a passing grade in a course, and to obtain documents such as: certification of student status, transcripts, course schedules, status of tuition bill, exam schedules, programs of studies for the remainder of one's studies, etc.
The site also contains a wide variety of information about Reichman University, including the student handbook and information from the dean of student affairs, the administration and the Student Union. Students can submit requests for material from the library and extend due dates of material borrowed via the site. It also contains information for alumni, such as information compiled by the Career Development Center and announcement from the Alumni Association.
The personal website for Reichman University students can be found at <https://my.runi.ac.il/my/app/index.html#/?lang=english>
2. **Academic Information System:** Course websites contain information that can assist students during their studies, such as exercises, assignments, sample exams, announcements on changes in the timing or location of a class or make-up classes, cancellation of a class, and more.

3. **Wireless Network:** There is a wireless network at the Reichman University campus. Students can access it in the Arison, Lauder, Arazi, Ofer, Alperen, and Ivcher buildings, as well as in the cafeteria, library and Gat lab. The network provides a variety of services, including access to the internet, email, databases, and other computer resources.
4. **Email:** At the start of their first year at Reichman University, all students receive electronic mail accounts for their personal use throughout their studies at Reichman University . **Reichman University considers any notices sent to students by email to be official and a binding form of communication.** Therefore, students must check their Reichman University email accounts regularly.
5. **Messages via Cellular Phone:** Various announcements, such as grades, will be sent to students' cellular phones at Reichman University expense. Students are requested to provide the Student Administration with their cellular phone numbers and inform it of any change to the number.
6. **Cafeteria:** The cafeteria serves hot meals, sandwiches, and hot and cold beverages.
7. **Library:** The Marc Rich Library, a core element and integral part of learning and research at Reichman University, is a dynamic and constantly evolving entity. The library provides a sophisticated, comfortable, and beautiful study environment. Students can access the library's catalogue system and other services from any computer via the internet. The Marc Rich Library's website is:
<https://www.runi.ac.il/en/library/>
8. **Computer Labs:** Reichman University computer labs have about 80 computers. The computer labs are designed to allow students to prepare assignments for their courses, learn various computer programs, and print papers and assignments.

ALUMNI SERVICES

Exchange students are not considered RUNI alumni and therefore are not eligible for alumni services.
